Partnerships Strengthen Programs

St. Peter is fortunate to have so many flourishing businesses and organizations that are community-minded. At St. Peter Community and Family Education we work with a variety of these groups to offer programming and special events.

Partnering with a businesses or an organization is a win-win for both parties. St. Peter Community & Family Education provides a wide array of publicity for the partner. Our brochure is mailed out to 5,900 private homes, local businesses, doctor & dental offices, the St. Peter Chamber, and other area Community Education offices.

In addition, we advertise classes in the school district

Highlight's newspaper, on public access, in school flyers, faxes, and emails.

We also offer great customer service support. Our office is open Monday thru Thursday from 8 a.m.—4 p.m. and on Fridays from 8 a.m.—noon. Our online registration also allows individuals to register for classes 24 hours a day.

St. Peter Community & Family Education has a history of providing quality learning opportunities and events. We are grateful for the collaboration and partnership with the businesses and organizations in our community. Listed below are those that we partnered with in our most recent brochure.

Free Tax Preparation

Each year St. Peter Community and Family Education collaborates with AARP to

offer free tax preparation for senior citizens and low income earners.

Tax appointments are held in the community center every Wednesday. This year appointments were scheduled from February 4 to April 8. During that time, there were 231 clients served and 401 tax returns filed. Every state, federal, and property tax return counts as one return.

Carol Moline, Marriane Kaswani, Don Sauers, John Vickers, and Mike Stienhaus are the volunteers who make this possible. Each one completed an annual week long training with AARP tax preparation services. They received certification after passing a tax preparation exam. These dedicated individuals volunteer their time and talents for a program that really serves the needs of people in our community.
