

William D. Harvey

Brief biography since graduation:

1959—Augustana College graduate

1959-1993—English teacher at St. Peter High School

Describe your best memories of St. Peter High School:

I was presented the Student Council's Outstanding Service Award. The faculty demanded the best from all students, and they were outstanding.

What individuals at the high school influenced you?

The mature teachers that were there when I arrived all influenced me. They were eager to suggest, advise, and show a novice teacher how to improve. Lars Nesvig, Howard Nelson, and Signe Chilstrom come to mind.

What advice would you give today's high school students?

Self-discipline is a noble virtue. Employ it in your conduct. It will steel you against that day when you meet adversity.
