

*Al Annexstad* graduated with St. Peter High School's Class of 1959. For more than forty years, Mr. Annexstad has served as chairman, president, and CEO of Federated Insurance Companies of Owatonna, a company with billions in assets. He credits various St. Peter business owners for his start in the business world. He sold Christmas cards from his church, delivered newspapers, worked at Bob Wettergren's dairy, and for Henry Komatz's construction company. He says his mother taught him early on that if he was going to have a quality life, he was going to have to make it for himself.
