

Dear Dr. Olson,

I received my Hall of Fame plaque in good shape. I am proud to have been inducted into the St. Peter High School Hall of Fame. Certainly, no one, least of all me, could have anticipated such a thing when I was a rather indifferent student there more than half a century ago. In any event, it is a great honor which I will always cherish. I regret my inability to attend the ceremony. It would have been a pleasure to meet you and the other honorees.
