

P.I.E. News

(Partners In Education, formerly Parent Council)

October 2009

Our Boxtops fall campaign is off and running! Our school goal this fall is to collect 10,000 boxtops by **October 23rd**. Make sure that you are remembering to save those tops and turn them in to your child's teacher or the main collection box near the office. Happy clipping!

Thank you to Lisa Hofferbert, Laura Boomgarden, Joy McGeorge, Lisa Rehnelt, Angie Johnson and Kristi Davis for helping us out selling concession at the ECFE Vehicle Fair Sept 24th. It was a great turn out and we hope to continue this next year.

THANK YOU!

Volunteer opportunities are all around us, take the time it **will** make a difference.

Last month we heard from Mrs. Sizer and Mrs. Wenner about the fun new recess program that has been developed to help children develop and enhance the skills needed to play and interact during their free time in a positive and healthy way. Children have learned many new games to engage in and will be learning more as the year progresses. P.I.E. funds will be used to assist in some new equipment needed for these new activities. Ask your child about the new games that they have learned and try a few at home! Mrs. Kluck informed us about the H1N1 readiness program that the school district has adopted to help protect students and staff. Make sure to watch for signs of illness and keep washing those hands.

Next P.I.E. time we will hear from Dr. Jeff Olson, Superintendent on the proposed capital projects levy that will be on the ballot in November.

Attention all new Kindergarten parents...make sure to get to our next information session so you can be in the drawing for a fun prize!

Also, all returning parents, bring a friend and you and your friend could win a prize too!

See you next time...for some P.I.E.!

MONDAY, OCT 12th 6:30-7:30 PM
SOUTH MEDIA CENTER

Ideas for upcoming P.I.E. time? Let us know, email Erin DeBlieck at erinchad@myclearwave.net.
