

**SAINT PETER PUBLIC SCHOOLS
STRATEGIC PLAN 2016-2020**

Vision Statement: LEARNING MATTERS

Mission Statement: To inspire a passion for learning that encourages and enables all individuals to reach their highest potential.

Core Beliefs:

We Believe:

- A system-wide culture of continuous improvement drives the work of the school district.
- All students can learn and have the right to an exceptional education.
- Safe and caring school environments are essential foundations for student learning.
- Collaboration amongst staff, parents and community members enhances the fulfillment of our mission.
- Resilience is recognized and encouraged within the school experience.

Strategic Directions:

In order to reach our vision, we must:

- Implement a guaranteed and relevant curriculum.
- Align resource allocation to rigorous educational goals.
- Engage in regular and on-going data/evidence collection, use and reporting to stakeholders.
- Develop critical thinkers, collaborators, communicators and problem solvers throughout the system.

Strategic Priorities for 2017-2018:

1. Create and implement curriculum, instructional and assessment plans that address student learning gaps and increase academic achievement for all.
2. Continue to develop the school district's strategic enrollment plan to attract and retain families to Saint Peter.
3. Implement a professional development and community engagement plan that advances the Saint Peter Public Schools graduation portrait.
4. Engage in the system-wide continuous improvement process that leads to district accreditation (AdvancED) and provide recommendations for the school district's future participation.
